# Meet the Automated Sealing Machine by GP PRO

Securely seal beverages in less than 2 seconds and help create even better customer experiences.

*Deliver peace of mind: Seal hot and cold drinks, soups, fruit cups, alcoholic beverages and more.*

## The Beverage Better Benefits

### Hygienic

Help reduce cross-contamination by eliminating the need to handle individual lids.

### Tamper Evident

Help prevent tampering with a tightly sealed shrink film that fits most paper and plastic cups with a rim.

### Spill Resistant

Seal beverages with a securely sealed film that stays put even when turned upside down.

### Sustainably Inspired

Uses 60% less plastic vs. traditional snap-on lids<sup>1</sup>.

### Space-Saving

Requires 90% less storage space vs. traditional snap-on lids<sup>1</sup>.

### Quick & Easy

Securely seal beverages in less than 2 seconds to help increase serving speed and lessen labor.

BACK-OF-HOUSE

## FOR SELF-SERVICE OR STAFF USAGE

Make your Automated Sealing Machine front-of-house friendly with a Patron Self-Service Accessory Kit at no extra cost.

### Confidence Customized

Customized seals are available to help build your own brand while securely sealing patrons' lids.

FRONT-OF-HOUSE

1. Compared to Dixie® cold cup lids (ID-2020-135)
