LET'S CREATE GREAT DISHES TOGETHER.[®]

Food Service

J.T.M. Food Group is a forward-thinking food-processing company still rooted in the same principles of the original butcher shop. For four generations, the food professionals at J.T.M. have provided on-trend products and solutions, including sauces, soups, sides, dips, pastas, scrambles, and taco fillings, with the same commitment to integrity and quality we've had since the butcher shop days.

Custom Product Development

Working together, J.T.M. and its food service partners have time and time again been able to identify opportunities in the marketplace and satisfy consumer needs with innovative and proprietary menu items.

Coast to Coast Distribution

J.T.M. prides itself in delivering product on time and on budget so it's there when you need it most. Partnering with distributors both big and small allows you easy access to quality J.T.M. products your customers desire.

Dedicated Support Team

Partnering with J.T.M. means working with some of the industry's best including a dedicated team of sales and marketing professionals. The J.T.M. team will work hand in hand with your operation to make sure your next product rollout is a success.

Mac & Cheese

Features & Benefits

- Fully cooked, just heat and serve
- Convenient boilable/steamable bag
- Homemade taste and texture
- Multiple menu applications

What Makes Our Mac & Cheese Stand Apart?

Dual Cook Production Process:

- Provides the ability to cook pasta and cheese sauce separately, gently blending them together at the end of the cooking cycle and prior to packaging
- Utilizes a variety of new technology to control the ratios of cheese sauce and pasta added to each bag of mac & cheese
- Improves product consistency from one bag to the next, one batch to the next

Pasta Cooking Process:

- Uniform cooking process with increased ability to control how long the pasta is cooked
- Greater flexibility and capability to cook pasta of a variety of shapes and sizes
- Starch, resulting from cooking pasta, is rinsed off and eliminated from the product leaving the pasta tender yet firm
